RE: Legal Services of Burgess & Perigard, PLLC

Dear Member:

It is with great pleasure that the attorneys of Burgess & Perigard, PLLC, formalize our relationship with Fairfax Coalition of Police, Local 5000. After representing Virginia first responders, including police officers, firefighters and EMTs, for more than twenty years, the law firm and the leadership of Local 5000 have developed a legal services arrangement to benefit members and their families. Our law firm practices in the areas of workers' compensation, personal injury including auto and motorcycle crashes, wrongful death, medical malpractice and drug injuries, products liability and insurance law. We represent only injured folks and their families. We do not represent negligent defendants, employers, or their insurance carriers.

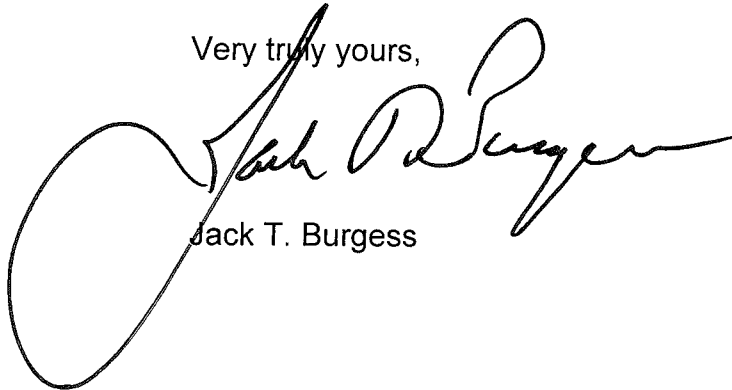

In order to benefit the members of Local 5000 and their families, the following services are provided by the law firm:

- * Complimentary consultations in person or by telephone for all members and their families in all of our practice areas.
- * Regular seminars addressing the topics of workers' compensation, personal injury, wrongful death, medical malpractice and drug injuries, premises and products liability, and insurance law.
- * Complimentary insurance policy and plan review for all members and their families to ensure adequate coverage.
- * 24/7 accessibility for emergency contact purposes in the event of an accident at work, motor vehicle crash or other unforeseen events.

* A benefit for all Local 5000 members whereby the first \$250.00 of a member's legal fees in workers' compensation and other designated cases will be paid by a fund maintained by the Local 5000 with the law firm. Members will be responsible for any fees in excess of \$250.00.

The attorneys and legal staff of Burgess & Perigard, PLLC, welcome the opportunity to serve as legal counsel to the members of Fairfax COP Local 5000. Please contact us at the above address, telephone and email during normal business hours. If an emergency arises, you may contact us 24/7 on our cell phones at the following numbers: Jack Burgess 703-609-2033 and Greg Perigard 703-283-7179.

Very truly yours,
